We believe ourselves to be the original, first and joint inventors of the improvement in an "MODULATION OF THE PHOSPHOLIPASE A2 PATHWAY AS A THERAPEUTIC" described and claimed in the patent application filed in the United States Patent and Trademark Office on March 28, 2001 and bears Serial No. 09/743,781.

We have reviewed and understand the contents of the specification, including the claims.

That this application claims the benefit under 35 U.S.C. § 119(e) of earlier filed United States Provisional Patent Application No. 60/092,570 filed July 13, 1998.

We do not know and do not believe that the same was ever known or used in the United States before our invention thereof; or patented or described in any printed publication in any country before our invention thereof or more than one year prior to this application; or in public use or on sale in the United States more than one year prior to this application.

Said invention has not been patented or been made the subject of an inventor's certificate in any country foreign to the United States on an application filed by us or our legal representatives or assigns more than twelve months prior to this application.

We hereby claim the benefit under 35 U.S.C. § 365(c) of PCT International Application No. PCT/US99/15947 filed July 13, 1999, designating the United States and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States or PCT International application in the manner provided by the first paragraph of 35 U.S.C. Section 112, we acknowledge our duties to disclose to the United States Patent and Trademark Office all information known to us to be material to patentability as defined in Title 37, Code of Federal Regulations, § 1.56 which became available between

the filing date of the prior application and the national or PCT International filing date of this application.

We declare further that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

We hereby appoint Barbara E. Johnson, Registration No. 31,198; William H. Logsdon, Registration No. 22,132; Russell D. Orkin, Registration No. 25,363; David C. Hanson, Registration No. 23,024; Richard L. Byrne, Registration No. 28,498; Frederick B. Ziesenheim, Registration No. 19,438; Kent E. Baldauf, Registration No. 25,826; Paul M.
